

Joel's Place Rules

Joel's Place exists to provide a safe place for youth in Fairbanks to have fun, and develop positive relationships. Our mission is to provide creative, adventurous, adrenalin seeking youth with a good, positive outlet for their energy. When youth at Joel's Place choose to engage in dangerous or negative behaviors, it creates an unsafe environment that jeopardizes our mission. Coming to Joel's Place is a privilege, not a right. Youth who disregard the rules will receive consequences, ranging from a verbal warning to being permanently banned from the premises.
